

Let's Fish----In NorCal

Club Member Erik Helgeson is generously making available his house in Burney CA for SDFF members as a base while fishing the fable waters nearby.

Come fish the Pit, Fall and McCleod rivers and Hat Creek in October and November.

Erik's house is a 3 bedroom place and can accommodate 5 or six folks at a time w/room sharing, a sofa bed and sleeping in your own bag on the floor. The house is fully appointed with Kitchen, Bathroom, laundry etc. There is space for small trailers or pick ups if you prefer to "camp" in your own rig. There is a state campground near by if you wish to go that route. Burney has several decent hotels as well.

Erik knows most of these waters well, but he is recommending that to get the best experience that folks hire a guide, especially if you want to float the Fall river.

Clearwater Lodge is located nearby and has guides. (Book soon. Guides are available 10-12 Oct. For November contact Michelle @Clearwater Lodge. Guides often shift to the Trinity for Steelhead in November. michelle@clearwaterlodge.com

It is a 10 hour drive from San Diego to Burney.

We expect a big interest in this opportunity and must limit each trip to 6 people (if your planning to stay in the house). It will be first come first served for getting a place in the house. Because of that PLEASE commit ONLY if you are confident that you will attend. If you plan to camp outside or stay elsewhere all are welcome to hangout at the house for food and camaraderie.

You can indicate that you want to attend by emailing the club at outings@sandiegoflyfishers.com.

Once we have filled the dates people will be notified of a zoom call to discuss the fine details (bring food, cooking duties, etc.).

Date: October 9th to 12th (long weekend for some)

November 6th to 10th (just before Veterans Day Holiday)

You may arrive on evening the 8th of October or the 5th of November if you desire. You may depart on the Oct 6th or Nov 11th if you want to fish all 4 days and hit each body of water.

Note:

Anyone wishing to attend must adhere to All Covid-19 related protocols.

Please join us for this incredible opportunity and be sure that thank Erik when you see him.
